

Establishing a USMA Email Account

Incoming Soldier must complete the new Information Assurance Training at this link.

<https://ia.signal.army.mil/DoDIAA/default.asp>

Once the Soldier completes training and passes the 10 question test with a score of a 70% or higher he or she can print the Certificate for their records.

***Also needs to scan or digitally save the certificate to send to the sponsor so that the sponsor can set up incoming Soldiers email account.

Once the Sponsor receives the certificate and the filled out DD2875 the email account can be created. Forward both documents to Mr. Art Truss, x7383, at Arthur.truss@usma.edu
