

**MANILA, PHILIPPINES, 1898**  
**THE SPANISH - AMERICAN WAR**  
**THE CAPTURE OF MANILA,**  
 Situation, 13 August 1898 and  
 Subsequent Movements

Spanish "attack" on the night of 31 July consisted only of a sudden and heavy fire action, the Spaniards remainih in their trenches. Since the Spanish position was hopeless, our attack on 13 August was to a large extent a formality, designed to allow Jaudenes to capitulate with honor.
