**RETRIEVABILITY:**

Delete entry and replace with “NLSC-assigned control number, full name, and home address.”

**SAFEGUARDS:**

Delete entry and replace with “Paper records are stored in locked file cabinets, in a locked office in a building with 24 hour guards and closed circuit television. Access to information, whether in paper or electronic records, is restricted to NLSC employees, authorized contractors, system developers, and administrators who require the records in the performance of their official duties. Access to personal information stored electronically is further restricted by the use of usernames and passwords that are changed periodically. Physical entry is restricted by the use of locks, guards at the facility hosting the web portal, and administrative procedures. The concept of identification and authentication “layered protection” is used to keep unauthorized users out of the NLSC Records. All personnel granted access must participate in a

security training and awareness program. This program consists of both initial security training and annual refresher training.”

**RETENTION AND DISPOSAL:**

Delete entry and replace with “Records are destroyed four years after participant ends participation.”
