Intent To Prepare an Environmental Impact Statement for the Combined Operational Plan, Miami-Dade County, FL

AGENCY: Department of the Army, U.S. Army Corps of Engineers, DoD.
ACTION: Notice of intent.

SUMMARY: The Combined Operational Plan (COP) is an integrated operational plan for Water Conservation Area 3 (WCA–3), Everglades National Park (ENP) and the South Dade Conveyance System (SDCS), that includes the completed modifications of the Central and Southern Florida (C&S) Project as described by the Modified Waters Deliveries to Everglades National Park and the Canal-111 South Dade (C–111SD) projects. The purpose of COP is to define water management operations for the completed MWD and C–111SD projects that are consistent with their respective project purposes as defined by their authorizing legislation and further refined by their respective general design memorandum (GDM) and general reevaluation report (GRR). This integrated operational plan will complete the MWD project.

For Further Information Contact: Brenda S. Bowen, Army Federal Register Liaison Officer.

Address: U.S. Army Corps of Engineers, Planning Division, Environmental Branch, P.O. Box 4970, Jacksonville, FL 32232–0019.

SUMMARY: This is the Notice of intent for preparation of an Environmental Impact Statement (EIS). This Notice of Intent (NOI) is being issued pursuant to the National Environmental Policy Act of 1969 (NEPA) and the Council on Environmental Quality (CEQ) regulations. The purpose of this NOI is to provide interested parties with an opportunity to comment on the need to prepare an EIS for the Combined Operational Plan (COP). This NOI is being issued for the purpose of being able to determine whether or not to prepare an EIS for the COP.

The Combined Operational Plan (COP) is an integrated operational plan for Water Conservation Area 3 (WCA–3), Everglades National Park (ENP) and the South Dade Conveyance System (SDCS), that includes the completed modifications of the Central and Southern Florida (C&S) Project as described by the Modified Waters Deliveries to Everglades National Park and the Canal-111 South Dade (C–111SD) projects. The purpose of COP is to define water management operations for the completed MWD and C–111SD projects that are consistent with their respective project purposes as defined by their authorizing legislation and further refined by their respective general design memorandum (GDM) and general reevaluation report (GRR). This integrated operational plan will complete the MWD project.

This NOI is being issued to provide interested parties with an opportunity to comment on the need to prepare an EIS for the COP. This NOI is being issued for the purpose of being able to determine whether or not to prepare an EIS for the COP. This NOI is being issued pursuant to the National Environmental Policy Act of 1969 (NEPA) and the Council on Environmental Quality (CEQ) regulations. The purpose of this NOI is to provide interested parties with an opportunity to comment on the need to prepare an EIS for the COP. This NOI is being issued for the purpose of being able to determine whether or not to prepare an EIS for the COP.
